

WALK WITH US TO END BLOOD CANCERS

A child wearing a colorful winter coat with various animal and nature patterns is seen from behind, walking on a path at night. The child is holding a large, glowing white paper lantern on a blue stick. The background is dark with some blurred lights, suggesting an outdoor night setting.

**LIGHT THE
NIGHT WALK**

The Leukemia & Lymphoma Society of Canada (LLSC)'s Light The Night Walk funds vital patient support services and lifesaving research across Canada.

Friends, families and coworkers form fundraising teams and walk in unity, at twilight, each holding an illuminated lantern – **red for supporters**, white for patients and survivors, and **gold to remember loved ones lost**.

Join us for an evening of solidarity and hope.
